## *Biography of Prof Yuanhua Shao*

Prof Shao was born on September 12, 1962 at Xinyang City of Henan Province of China. He obtained BSc (1983) and MSc (1986) from Wuhan University of China. In 1991, he obtained Ph.D. from University of Edinburgh under supervision of Prof. Hubert H. Girault. After a few terms of postdoctoral experiences in UK and USA, he returned to work as a research Professor at Changchun Institute of Applied Chemistry of Chinese Academy of Sciences in 1998. In 2002 he moved to the College of Chemistry and Molecular Engineering of Peking University as a Professor. He is currently Changjiang Professor of Chemistry. Prof. Shao's main research interest focuses on (1) electrochemistry at soft interfaces, and (2) electrochemical sensing and electrochemical catalysis.
